

# CAREERS & PROGRESSION NEWSLETTER

## THIS ISSUE

25<sup>th</sup> September 2023

Hello all,

In this week's edition, 25<sup>th</sup> September 2023, we have local and virtual work experience opportunities and plenty of useful apprenticeship information with Amazing Apprenticeships, University of Strathclyde, and the Royal Navy. There are multiple masterclasses available with the UCL Faculty of Medical Sciences, Humber and North Yorkshire Health and Care Partnership and Medic Mentor, alongside university information with the University of Leeds, Teesside University and the University of Sheffield.

Be sure to complete the Google Form in the newsletter to be in with the chance of winning a £10 Amazon voucher!

Many thanks,

The Careers Team

## The Green Room

Here's what's coming up in The Green Room this week. No need to book – just turn up!

Monday 25<sup>th</sup> September from 9am – 1pm: Bishop Grosseteste University

Tuesday 26<sup>th</sup> September from 9am 1pm: The University of Hull

## Career Academy

Thank you to all who attended the speed networking session on Wednesday! There was a great turnout with only a couple of students missing, let's keep it that way - if you are going to be missing a session, please email [rebecca.lowe@franklin.ac.uk](mailto:rebecca.lowe@franklin.ac.uk) so the register can be marked accordingly.

Please can all students also ensure they have completed the "Student Fact Find" located in the classwork section within the classroom as we still have students who have not completed this. Any new students, please accept the Google Classroom invite which will be in your emails as all information and comms are populated within there.

Wednesday 27<sup>th</sup> September: Social Media with David Stapleton from the University of Hull in room 47/48.

## Work Experience

If you are looking for work experience, you can view our existing opportunities [here](#). If you are interested in any of the opportunities, please email [nicola.lloyd-jones@franklin.ac.uk](mailto:nicola.lloyd-jones@franklin.ac.uk) for further information on how to apply.

## Your Voice, Your Vote with Youth Action

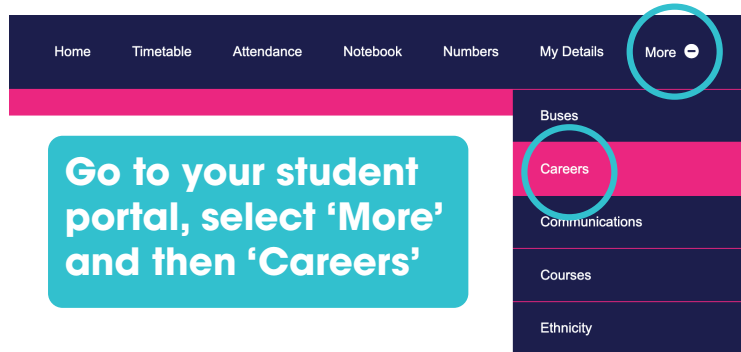

Youth Action want to hear from you! Between now and the end of October, you have the chance to cast **your** vote on what issue you want to see improved in North East Lincolnshire.

Place your vote [here](#).

For any student wanting to take the conversation further, on **Friday 27<sup>th</sup> October from 1pm – 4pm** they are hosting an event called the **Big Conversation**. Young people will be coming together with local decisionmakers to hear about what has happened with the priorities young people have voted for in the past, and to hold discussions and agree actions for the future. Food will be provided, and the event is organised by young people, for young people.

Information on how to book will follow.

# How to book a Careers Appointment

Fill in the information on the Careers Appointment Booking page

**Careers Appointment**

### Careers Appointment Booking

Drop in advice sessions may be available - please contact College Services.

If you would like a careers appointment please complete all of the following fields:

What work history or work experience have you had?

Do you have any medical condition or other factor which may affect your career choice?

☒ No ☐ Yes

If yes then please give details:

What are your interests / what do you do in your spare time?

Please tell me how I can help you.

Examples: I want to be an accountant; I am interested in doing a course in nursing.

Finally, what type of interview would you prefer?

Please Select

## Book an appointment (not during lessons)

1. Select a date to see a list of available appointments (not today, at the weekend or in the past).

# WORK

# EXPERIENCE

## **Customer Services Assistant at Co-op, Grimsby**

Co-op are looking for a member of staff to work at one of their Grimsby stores on a part-time basis. As a Customer Services Assistant, you will be working on the checkouts, replenishing stock, sharing your knowledge on their range with customers alongside promoting the benefits of membership.

You'll be provided with all necessary training - you just need to have the motivation, interpersonal skills, and values to succeed. You'll be joining a team at the forefront of the business, working together to keep the store fully stocked and ready for customers, always delivering friendly service with a smile!

For more information or to apply, click [here](#).

## **Virtual Work Experience with Siemens Energy and Springpod**

Who is Siemens Energy? Where does our power come from? How can I prepare for the world of work? To help build your understanding of these areas and more, Springpod and Siemens

Energy have partnered up to bring you a fantastic programme that'll provide you with valuable insight into areas of focus within the company, employability skills, and ways to stand out.

You'll begin the programme with an introduction to Siemens Energy and you'll learn about why being sustainable is important to the business. After learning more about decarbonisation and recycling, you'll attend a live webinar all about carbon, before thinking about your own pledge to reduce your carbon footprint!

The deadline to apply for this work experience is Monday 16<sup>th</sup> October.

Click [here](#) for more information or to apply.

## **Live Virtual NHS Healthcare Careers Work Experience Programme**

Are you ready to embark on an exciting journey exploring the world of healthcare? Join Allied Health Mentor for the NHS Virtual Allied Healthcare Work Experience on Sunday 1st October, 9am - 5pm and get ready to be amazed!

Whether you dream of becoming a nurse, a paramedic, or any other healthcare professional, this work experience is their ticket to gaining valuable insight and making an informed decision about your future career. During the work experience day, you will follow two patients from their initial presentation to recovery, gaining a unique and unforgettable insight into the world of healthcare. You will interact with a variety of NHS healthcare professionals, including nurses, midwives, paramedics, physiotherapists and many more.

There is a fee of £10 for each session.

Click [here](#) for more information or to book.

# APPRENTICESHIPS

## **Amazing Apprenticeships Webinars**

Thursday 19<sup>th</sup> October @ 3:30pm – Understanding apprenticeships

Join this session for a more detailed look at apprenticeships – exactly how they are structured, where you find them and who delivers them.

Click [here](#) to sign up.

Thursday 16<sup>th</sup> November @ 3:30pm – Using the Levels of Apprenticeships to Progress Your Career

In this session, you'll learn how you can progress your career using the different levels of apprenticeships and how starting as an intermediate or advanced apprentice can assist you to progress even further.

Click [here](#) to sign up.

## **Degree or degree apprenticeship?**

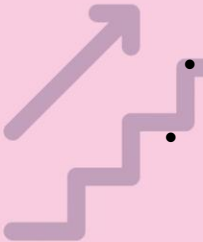

To help you make the best choice for you, Katie Thistleton talks to experts from the University of Strathclyde, a degree apprenticeship employer from the Cabinet Office, and a degree apprentice from Capgemini. Find out exactly how the two qualifications differ, how to apply for a degree apprenticeship, the work you'd be doing, career prospects, and more.

Click [here](#) to watch view the webinar.

## **Royal Navy Apprenticeships**

When you start an apprenticeship in the Royal Navy, you're right at the beginning of an adventure that will take you all around the world. You'll be a valuable member of their team as soon as you join because you'll be learning on the job, making a vital contribution and earning a competitive wage from day one. And their world-class training will mean you have all the transferable skills you need to succeed in civilian life.

Apprenticeships combine practical, on-the-job training, with study. As an apprentice in the Royal Navy, you will:

- 
- Work alongside experienced and highly trained personnel
    - Gain and develop job-specific skills
  - Earn a wage from day one and get six weeks of paid holiday
    - Study towards a range of vocational qualifications
  - Have a guaranteed job on completion of your training

Click [here](#) for more information on Royal Navy Apprenticeships.

# MASTERCLASSES

## **'Are biologic drugs to treat rheumatoid arthritis harmful in pregnancy?' webinar with UCL Faculty of Medical Sciences**

Rheumatoid arthritis affects around 1% of people worldwide, is more common in women and often requires treatment with biologic drugs to control symptoms and prevent joint damage. Many women of child-bearing age with RA treated with biologic drugs plan or become pregnant and it is uncertain, if biologic drugs should be continued throughout pregnancy.

Treatment of RA in pregnancy is important because active arthritis is associated with an increased risk of adverse outcomes and is more likely if biologic drugs are stopped. This talk will discuss whether stopping biologic drugs in pregnancy has harmful effects on disease activity, pregnancy outcomes and/or health of the mother and their children.

This will take place on Tuesday 10<sup>th</sup> October from 5pm – 6pm. Click [here](#) to sign up!

## **Spotlight on Psychology Professions**

Would you like to know more about psychology professions? Are you interested in finding out more about a career in psychology?

On Monday 9<sup>th</sup> October 2023 from 9:30am – 10:30am, Humber and North Yorkshire Health and Care Partnership are hosting a webinar all about careers in Psychology. You'll meet professionals working in schools, forensic psychology and mental health services, and find out how they help their clients.

For more information or to sign up, click [here](#).

## **FREE Live Get into Medicine Conference with Medic Mentor**

This comprehensive conference covers all of the essential requirements for applying to medical school and provides invaluable tips on how to stand out from the crowd. With informative sessions led by experienced professionals, you'll gain an understanding of what medical schools are looking for, learn how to perform phenomenally in interviews, and discover the importance of extracurricular activities in your application. This conference is the perfect opportunity to take that first essential step towards a career in medicine, and it's all conveniently accessible from the comfort of your own home.

Don't miss out on this amazing opportunity to get ahead and become a competitive applicant for medical school – register for Medic Mentor's virtual get into medicine conference today!

The next dates are Saturday 30<sup>th</sup> September and Saturday 7<sup>th</sup> October.

You can sign up for free [here](#).

# UNIVERSITY INFORMATION

## **Access to Leeds Programme**

Access to Leeds is a contextual admissions programme for UK undergraduate applicants. It offers additional consideration for applicants based on personal circumstances. If you join through Access to Leeds, you will benefit from:

- the chance to study an undergraduate degree with entry requirements up to two grades lower than their standard offer
- a study module, support and events to help prepare you for university
  - on-course support through their [Plus Programme](#)

For more information or to apply for Access to Leeds, click [here](#).

## **Teesside University Taster Residential**

Are you a 2<sup>nd</sup> year student interested in going to university next year? The Teesside University Taster Residential is a brilliant opportunity to give you a first-hand experience in studying your subject at university. If you are considering a career in Cyber Security, Education, Graphic Design, Learning Disabilities and Mental Health Nursing, or Tourism and Marketing, why not apply? The residential will take place from 25<sup>th</sup> – 27<sup>th</sup> October and will give you free 2 nights' accommodation, free meals and social activities, 8 hours of academic contact time and a fantastic taster of university life.

For more information, click [here](#).

## **University of Sheffield Programmes**

### **Access to Sheffield**

Access to Sheffield is a programme split in to 5 subject and career areas; Arts & Humanities, Dentistry, Law, STEM and Medicine. These programmes are an excellent way for you to explore future degree options available to you at a Russell Group University not too far away.

These programmes provide opportunities for you to practise and demonstrate essential skills, to develop your academic confidence and self-efficacy.

The deadline to apply is Friday 3<sup>rd</sup> November. You can find more information [here](#).

### **Realising Opportunities**

The Realising Opportunities programme provides you with skills and information to help not only make informed decisions about your future and to raise your aspirations to progress to a leading research-intensive university, but to support your current work in college as well. To take part in this programme you must meet the eligibility criteria – you can find more information [here](#).

# LABOUR MARKET INFORMATION

## **What is LMI?**

Labour Market Information (LMI) is information that provides insight into the labour markets at different levels (local, regionally or nationally). LMI looks at the industries that are growing and declining and the types and levels of jobs that are increasing and decreasing. LMI is useful to help research future jobs in the local area, understanding the skills needed for certain roles and the demand for future employment.

Each week, we'll be focusing on a different industry and exploring the LMI for that industry.

## **Energy Labour Market Information**

The Energy Sector relates to the production and supply of energy. Renewable energy is generally defined as energy that comes from resources which are naturally replenished on a human timescale such as sunlight, wind, rain, tides, and waves. Renewable energy replaces conventional fuels in four distinct areas, electricity generation, air and water heating/cooling, motor fuels, and rural (off-grid) energy services.

The Energy Sector is very closely linked with engineering, manufacturing, and ports & logistic sectors.

### **What opportunities are available?**

- Labour demand across the energy and infrastructure sectors will be significant – totalling around 760,000 by 2024. This includes 160,000 new jobs and replacing 600,000 due to retirements.
- There will be a total labour demand of 8.6 million jobs in the UK by 2024
- The offshore wind sector will need to compete against other desirable infrastructure sectors to acquire the 36,000 people that will need to be employed by 2032

### **Did you know?**

- The Humber is #1 in the UK for biofuel production
- The Grimsby, Sheffield and Hull triangle is the largest energy sector in the UK
- Orsted is the world's leading offshore wind developer, investing £6bn in offshore wind in the Humber
  - Our region has over 20+ onshore windfarms

**You can find more information about Energy within Yorkshire and The Humber [here](#).**
