

CAREERS & PROGRESSION NEWSLETTER

THIS ISSUE

5th February 2024

Hello all,

In this issue, 5th February 2024, we have lots of virtual work experience opportunities and plenty of useful apprenticeship information with Amazing Apprenticeships, Anglian Water, BP and Lenzing. There are multiple masterclasses available including Warner Bros., Next Tech Girls and Success at Schools. Finally, we have lots of university information from the University of Nottingham, University of Surrey and University of Sheffield.

Be sure to complete the Google Form in the newsletter to be in with the chance of winning a £10 Amazon voucher!

Many thanks,

The Careers Team

#SEETHEYOURFUTURE

CENTRE FOR

PROFESSIONAL DEVELOPMENT

Fancy being in with the chance of winning a £10 Amazon voucher?

Complete [this](#) short feedback survey to be in the draw!

National Apprenticeship Week

This week is National Apprenticeship Week, and we have lots going on around the college to boost your knowledge on apprenticeships and the opportunities available, locally and nationally.

This week in ASPIRE, we'll have organisations such as the RAF, the Army and Orsted here to talk to you all about the apprenticeships they offer and how you can apply.

On Wednesday during lunch, we have local organisations such as Wilkin Chapman, CLdN, North East Lincolnshire Council, and NLaG with stands outside The Bridge. They'll be here to talk to all students about the apprenticeships available and how you can get involved.

Career Academy

We have now come to the end of the weekly sessions for Career Academy. To those who have been told they are unsuccessful in gaining a mentor or have let Rebecca know they do not wish to be mentored, please choose another enrichment.

Please check your Google Classroom for details on meeting your Career Academy teacher. Finally, if you do not have a skills log, please collect one from the CfPD office.

Work Experience

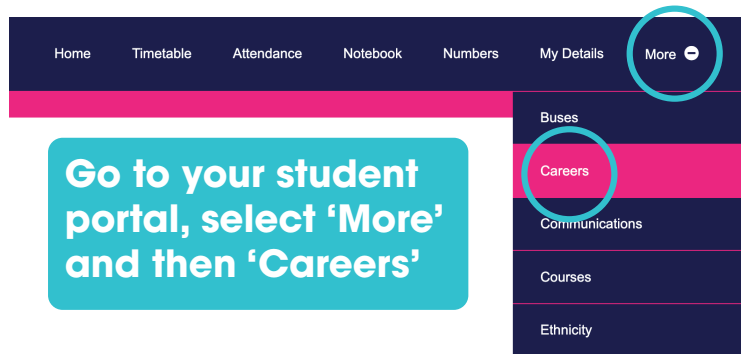

If you are looking for work experience, you can view our existing opportunities [here](#). If you are interested in any of the opportunities, please email nicola.loyd-jones@franklin.ac.uk for further information on how to apply.

Personal and Professional Development

If you have questions regarding enrichment, whether you have an idea for a new session or you want to change your choice, please email enrichment@franklin.ac.uk.

The Enrichment team are now based in Room 51 (opposite the theatre) – please feel free to pop in if you have any questions!

How to book a Careers Appointment

Fill in the information on the Careers Appointment Booking page

Careers Appointment

Careers Appointment Booking

Drop in advice sessions may be available - please contact College Services.

If you would like a careers appointment please complete all of the following fields:

What work history or work experience have you had?

Do you have any medical condition or other factor which may affect your career choice?

☒ No ☐ Yes

If yes then please give details:

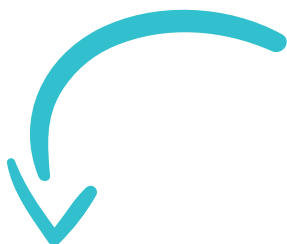

What are your interests / what do you do in your spare time?

Please tell me how I can help you.

Examples: I want to be an accountant; I am interested in doing a course in nursing.

Finally, what type of interview would you prefer?

Please Select

Book an appointment (not during lessons)

1. Select a date to see a list of available appointments (not today, at the weekend or in the past).

March 2023						
Mo	Tu	We	Th	Fr	Sa	Su
27	28	1	2	3	4	5
6	7	8	9	10	11	12

WORK

EXPERIENCE

Careers in Policing event with Humberside Police

Experience all areas of Humberside Police and the careers they have to offer both as Police Staff and Police Officers. You will have the chance to speak with their Recruitment Teams as well as 999 Call Handlers, Dispatchers, Dog Handlers, Detectives, Safer Roads, Patrol Officers, Forensics, Detention Officers and the well-being team plus more!

The event will run on Tuesday 16th April from 5.30pm to 7.30pm at their brand new Melton 2 Police Station with guest speakers and exhibitions running throughout from their in-house Officer Training Team.

Click [here](#) for more information.

SWEF Enterprise Grants

Are you aged 18+ and have recently started a business? You may be eligible to apply for a grant of up to £2,000 to grow your business thanks to SWEF. You can apply if you:

- are aged 18 to 30
- currently live in Lincolnshire
- want to start your own business and know what products or services you want to provide or have been trading for under 2 years.

Grants must be used for costs directly related to your business, such as equipment, machinery, stock and services to get your businesses off the ground.

For more information on this exciting opportunity, click [here](#).

Women into Manufacturing and Engineering Careers Fair

At this year's WiME Event, you will discover the opportunities for women across our region and find out why you should consider a career in manufacturing and engineering. You will be able to:

- Meet women from manufacturing and engineering jobs and talk to them about their work.
 - Find out more about current job vacancies.
 - Discover what training and qualifications you may need.
 - Learn about apprenticeship opportunities.

This will take place on Monday 4th March from 4:30pm – 6pm.

Click [here](#) for more information.

APPRENTICESHIPS

Higher & Degree Apprenticeships Vacancy Listing with Amazing Apprenticeships

The Higher and Degree Apprenticeship Listing showcases hundreds of vacancies from a diverse mix of employers starting in 2024. The variety of vacancies listed range from Engineer to Police Constable – there's something for everyone.

Please note, this booklet only contains a selection of current higher and degree apprenticeship vacancies. For the full range of live vacancies, please visit the government website, Find an apprenticeship [here](#).

Click [here](#) for the Higher & Degree Apprenticeships Vacancy Listing.

Treatment Apprenticeship with Anglian Water

During this Treatment Apprenticeship with Anglian Water, you will embark on an adventure of both classroom education and hands-on experience – all whilst getting paid for it! You'll receive training and learning about the development, installation and maintenance of water treatment programmes for water systems; working towards a nationally recognised Level 3 Water Treatment Technician apprenticeship. Your journey will be guided by experienced Technicians, to ensure you acquire the practical skills needed for success.

Click [here](#) for more information.

Laboratory Technician Foundation Apprenticeship at BP

During this apprenticeship, you will develop broad laboratory and research and development skills, building confidence in providing accurate testing results that address specific project requirements. As your skills develop you will contribute to meeting technical and research needs, providing outstanding science, delivering bespoke analysis and achieving research goals.

Click [here](#) for more information.

Process Technician Apprenticeship with Lenzing

Lenzing have an exciting opportunity for 5 Process Apprentices based at their Grimsby site, to join their Manufacturing team! During this apprenticeship with Lenzing, you will learn how to operate safely as part of a team producing fibre from raw material to baled fibre. You will learn how to use a computer-based control system to monitor and operate the plant and react to/rectify plant breakdown or maloperation, and experience working a 12-hour continuous shift pattern.

Your application will be passed onto CATCH who this apprenticeship is in partnership with. Please email your cv to hrdepartment@lenzing.com by 23rd February 2024.

MASTERCLASSES

Warner Bros. Discovery's Championing Apprenticeship Webinar

Warner Bros. Discovery's Early Talent Team is hosting a virtual event in support of National Apprenticeship Week and you're invited! Through this conversation, you will get the opportunity to hear from current apprentices and how the different projects they have worked on has provided them with the #SkillsforLife.

This will take place on 6th February at 6pm. Click [here](#) to sign up.

National Apprenticeship Week Online Event with Next Tech Girls

Join Next Tech Girls to celebrate National Apprenticeship Week 2024! You'll hear from trailblazing women who are current or former apprentices in the UK tech industry.

This is a great opportunity for you to learn more about tech career paths and apprenticeships from women carving a path for themselves in a male dominated sector. This session is free and open to everyone.

This will take place on Tuesday 6th February from 9am – 10am. Click [here](#) to register.

Putting the 'Green' in Green Skills: Discover Plant-Based Careers in Horticulture

Join Success at Schools in this webinar, where you'll hear from people working at the Royal Horticultural Society (RHS) about finding your career in horticulture. This virtual event includes conversations and a live Q&A with approachable and passionate experts in practical horticulture as well as in plant science. They will provide an insight and advice about starting your career journey and give you an understanding of the various routes into the sector.

You will also get to hear of opportunities to gain more practical experience prior to looking for entry-level positions and training at the RHS, such as work experience, volunteering, and paid internships in the Royal Horticultural Society's world-class garden and science teams.

This will take place on Tuesday 5th March from 6pm – 7:30pm. Click [here](#) to register.

'Ask an Apprentice' with Success at School

It's National Apprenticeship Week! This year, Success For Schools' theme for Wednesday is Apprentice Wednesday, so join them for a chat hosted by their founder Mitesh, with three apprentices who have overcome different barriers to share their personal journeys to land an apprenticeship!

This will take place on Wednesday 7th February from 6:30pm – 7:30pm. Click [here](#) to register.

UNIVERSITY INFORMATION

University of Nottingham Summer Schools

The University of Nottingham Summer Schools offer Year 12 students the opportunity to explore the university experience in depth, while developing the skills and knowledge required to progress onto the country's top universities. During the in-person summer school you will spend five days with the University and enjoy a varied programme of activities – academic, social and personal development – all for free!

After the summer school, you will have access to a wealth of UCAS resources and webinars – as well as direct chat with our student ambassadors – through Sutton Trust Online to support you through your higher education journey. If you successfully complete the Nottingham Summer School, you will be eligible for an enhanced contextual offer (up to two grades lower, depending on course) and the Nottingham Potential Bursary worth £1000 for each year of undergraduate study!

Applications for this year's Summer Schools are open until Thursday 7th March – click [here](#) for more information or to apply.

University of Surrey Summer Schools

The University of Surrey offer a fantastic Summer School Programme, providing under-represented groups with a taste of university life and offering support with UCAS applications. Those eligible will also have opportunities to gain a bursary to fund their degree!

You can apply to the Uni of Surrey's virtual or residential programmes to experience what it's like to study a subject you love at university degree level. Summer schools are **FREE** and open to year 12 students who attend a state school or college in the United Kingdom and meet their eligibility criteria.

They are hosting a 1 hour webinar to give you all the information you need to know about their summer schools. This will take place on Thursday 8th February from 6pm – 7pm. You can sign up [here](#).

University of Sheffield ChemBoost

The ChemBoost programme supports you with A-level Chemistry or BTEC Applied Science and lets you find out what studying chemistry at university is like. You'll take part in:

- Online tutorials with academics
 - Online study materials
- Support with UCAS applications
- In-person lab experiences

And so much more! Click [here](#) for more information.
