### Becoming a Travel Agent - We Love London

1. You work at a Travel Agents on the outskirts of London; a young couple visiting with their 10 year child have asked you to research and recommend three places they could go to in the area. Compile a fact sheet on the three places they could visit with opening times, prices, a summary of each place selected and an image. Record each site you go on.
2. Big events in popular destinations can have both a positive and a negative impact on the area. This year saw a Royal Wedding and the FA Cup Final in London on the same day. Research the impacts of these two very popular events falling on the same day in the same place.
3. In no more than a 100 words tell us where in the world you would like to visit and why?
