PERSONAL Development

Personal Development gives you the chance to get involved in an exciting range of clubs, activities, societies, trips, and visits to support your studies.

Whether you want to explore the world through our incredible trips, join a club related to your course, take part in sport, or try something entirely new. With over 50 clubs on offer, you'll be spoilt for choice, and if you can't find one that suits you, you can even start your own.

Our Centre for Professional Development (CfPD) team offers you links with universities, higher apprenticeship providers, and employers to boost your skill set, provide valuable experiences, and significantly improve your employability and life chances. The team works with local and national partners to organise interactive talks, masterclasses, visits and more to help you see your future and develop the skills needed to reach your goals.

TRIPS & VISITS

Explore the world with us! Visit exciting places like New York, Italy, and Athens, to name just a few. We know how important it is to give you the opportunity to experience the world beyond the classroom. Our trips and visits are all about bringing your learning to life and giving you the experience, confidence and skills ready for life after Franklin.
