The College will also share certain information about students aged 16+ with the local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996.

This enables them to provide services as follows:

- post-16 education and training providers
- youth support services
- careers advisers
- DBS

For more information about services for young people, please visit the local authority website.

For students enrolling for post 16 qualifications, the Learner Records Service will provide the College with a student's unique learner number (ULN) and may provide the College with details about the student's learning or qualifications.

The College uses student applicant data:

- to assess an applicant's suitability for a programme of study at Franklin Sixth Form College
- to inform applicants of opportunities available at Franklin Sixth Form College
- to assess if the College is able to provide appropriate support, care and guidance
- to ensure the College meets all legal and statutory requirements placed upon them.

We do not undertake any automated decision making. The College is committed to being transparent about how it collects, uses, stores and deletes data and to meeting its data protection obligations.

The College will use the information provided in a manner that conforms with the Data Protection Act 2018 (DPA 2018), the UK GDPR and the Human Rights Act 1998.

Why does the College collect and use student applicant information?

The College collects and uses student information. The lawful basis on which we use this information is that we collect it as part of our public interest task of providing education to you. This allows us to collect the information we need on behalf of the government to draw down funding on your behalf. We collect and use student information under Article 6 (1). of the UK General Data Protection Regulation 2018 (GDPR) where:

- processing is necessary for the performance of the contract the student signs with the college on enrolment.
- processing is necessary for compliance with a legal obligation to which the controller is subject.
- processing is necessary to protect the vital interests of the data subject.
- processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller.
- processing is necessary for your legitimate interests or the legitimate interests of a third party, unless there is a good reason to protect the individual's personal data which overrides those legitimate interests.
- the data subject has given consent to the processing of their personal data for one or more specific purposes (this relates to data used only for direct marketing, for example the use of photographic

images / participation in videos / case studies for marketing purposes only)

We also collect and use student information which is defined as a special category of personal data under Article 9 (2). of the GDPR 2018, such as biometric and ethnicity data. We also define other sensitive data as a special category, (this list is not exhaustive) for example SEND data, financial support (bursary) information and whether a young person is looked after.

- Processing is necessary for the purpose of carrying out obligations under employment and social security and social protection law.

Franklin Sixth Form College is required to share information about its students with the DfE under regulation 5 of The Education (Information about Individual Students) (England) Regulations 2013.

The DfE and the EFSA have robust processes in place to ensure the confidentiality of College data is maintained and there are stringent controls in place regarding access and use of the data. Decisions on whether DfE releases data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested: and
- the arrangements in place to store and handle the data.

To be granted access to student information, organisations must comply with strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data. For more information about the Department for Education's data sharing process, please visit: <https://www.gov.uk/data-protection-how-we-collect-and-share-research-data>

We rely on the following lawful bases to process your personal data. The points below are not an exhaustive list, and may include other lawful basis for processing your personal data where appropriate – if you have any questions, please contact the Data Protection Officer:

1. **Performance of a Contract:** The processing of your data is necessary to fulfil our contract with you (e.g., your enrolment at the College).
2. **Legal Obligation:** We may process your data to comply with legal obligations (e.g., attendance and safeguarding regulations).
3. **Consent:** In some cases, we may ask for your consent.
4. **Legitimate Interests:** We may process your data for legitimate interests, such as improving services and communications.

Your Rights

Under data protection law, you have the following rights regarding your personal data:

1. **Access:** You have the right to request access to the personal data we hold about you in certain circumstances.
2. **Rectification:** You have the right to request that we correct any inaccurate or incomplete data in certain circumstances.
3. **Erasure:** You have the right to request the deletion of your personal data in certain circumstances.
4. **Restriction:** You have the right to request that we restrict the processing of your personal data in certain circumstances.
5. **Data Portability:** You have the right to request that we transfer your personal data to another organisation.
6. **Objection:** You have the right to object to certain types of processing of your data in certain circumstances for example if it is likely to cause, or is causing, damage or distress.
7. **Withdrawal of Consent:** If we process your data based on your consent, you have the right to withdraw that consent at any time in certain circumstances.

Privacy Notice – Student Applicants

To exercise any of these rights, please contact the College's Data Protection Officer (DPO).

Right to request access to your information

Under data protection legislation student applicants have the right to request access to information about them that the College holds. To make a request for this, please email information.governance@franklin.ac.uk who will process the request in partnership with Franklin Sixth Form College's Data Protection Officer.

If you have a concern about the way we are collecting or using your personal data, we request that you raise your concern with us in the first instance to information.governance@franklin.ac.uk. Alternatively, you can contact the Information Commissioner's Office at <https://ico.org.uk/make-a-complaint>

Collecting student information

Whilst the majority of student applicant information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain student information to us or if you have a choice in this.

CCTV

CCTV recordings are used and retained for a limited period to ensure the safety of student applicants, students, parents/guardians, staff and visitors to the College. Access to view and monitor these recordings is limited to the appropriate staff who will report and act accordingly if suspicious or inappropriate actions or behaviours are identified. CCTV images may be passed on to the police for the purposes of crime detection or prevention and Franklin Sixth Form College will also disclose CCTV footage when requested by insurance companies. CCTV may be used to assure the integrity of our examination arrangements, with footage shared with Awarding Organisations for audit and fraud prevention purposes.

How We Store Your Data

Your personal data will be stored securely and only for as long as necessary to fulfil the purposes for which it was collected, or as required by law. We implement appropriate technical and organisational measures to protect your data from loss, misuse, or unauthorised access.
