

STEM Career Academy

(Year 1)

With Phillipa Hyde

Every Wednesday

2.35pm - 3.35pm

Room 47/48

Our STEM Career Academy will give you the tools and knowledge needed to kickstart your successful career in STEM. You'll attend sessions to increase your employability skills, hear from people in various roles in the industry, and learn about how they got there. You'll even have your own personal mentor from the industry to guide you through your studies and give you insider knowledge on life in STEM.
