

A Level Graphic design

Part A - Bridging Work Task

This is a fantastic opportunity to expand your understanding of Graphic Design as you prepare for enrolment and start at Franklin in September.

Please complete the work and bring a copy to your enrolment, either printed or electronically.

The work will take you around **2 hours** so plan your time to best suit you.

How do I complete and submit my task?	<p>Complete the tasks on paper/handwritten or digitally USING POWERPOINT, WORD, GOOGLE DOCS. Please bring this along to your first lesson in September.</p> <p>If you didn't attend the Taster Day, don't worry. It isn't essential for completing this work, but please ensure that you have completed this bridging work.</p>
Introduction to your Bridging Task	<p>One of the most important starting points when studying graphic design is researching present and past movements and designers to help generate ideas, creativity and developing technical processes.</p> <p>Research counts for 25% of your overall grade and is fundamental in the development of your own ideas. In this task, you will research a designer that sparks your creativity and interest.</p>
Task details	<p>Task 1-Inspiration is key when developing your skills and understanding the fundamentals of graphic design.</p> <p>For your bridging work, we would like you to create a graphic design timeline over 2x A4 document on focusing key movements and artists.</p> <p>links: history-of-graphic-design visual time line ideas video brief history https://www.youtube.com/shorts/y9qkhawV2w4</p> <p>Give a brief description the movement all so adding a key artist/designer include key info and images of their work.</p>
