

Health Career Academy (Year 1)

With Julie Cox, Cailey Thompson & Jennifer Carter

Every Wednesday

2.35pm - 3.35pm

Room 47/48

Our Health Career Academy will give you the tools and knowledge you need to kickstart your successful career in healthcare. You'll attend sessions to increase your employability skills, hear from people in various roles in the industry, and learn about how they got there. You'll even have your own personal mentor from the industry to guide you through your studies and give you insider knowledge on life in healthcare.
