

Social Work Academy

With Lily Elliott
Every Wednesday
2.35pm - 3.35pm
Room D04

Are you interested in a career in social work?
Join this 5-week programme to find out what skills, knowledge, and behaviours are needed to become a social worker. You'll take part in workshops delivered by social work practitioners focused on social work theory, how to make assessments and decisions, signs of safety, and trauma. You'll then go to the University of Hull for a masterclass where you'll be introduced to studying Social Work at a degree level!
