

Introduction to: CTEC Health and Social Care (Level 2)

Choosing Health and Social Care as part of your study programme was a brilliant decision!

What is so great about doing Health and Social Care and where can it take you?

As an introduction to this course, we'd like to help you find out more about the subject and how studying it might open doors for you in the future.

Lesson	Topic/Content
Introduction	<p>This course will provide you with the opportunity to develop and apply a range of academic and interpersonal skills, such as verbal and written communication, team working and time-management skills. This course will also allow you to participate in a health and social care work placement. These skills will help to build your underpinning knowledge for Level 3 study or alternative provision.</p> <p>Find out about the Level 2 Health and Social Care Extended Certificate, and entry requirements at:</p> <p>https://www.youtube.com/watch?v=i_S5xHjmcZs (From 1min 55 seconds)</p> <p>Read about possible careers in Health and Social Care at:</p> <p>https://help.open.ac.uk/career-opportunities-health-social-care</p>
Feed your Curiosity	<p>When working in Health and Social Care, you are working with many different people, including some that may be vulnerable; for example, people with learning disabilities and people with mental health conditions.</p> <p>Task: Supporting those with Disabilities</p> <p>Log into BBC iPlayer. If you do not have an account, it is free to set up. Use the following link:</p> <p>https://www.bbc.co.uk/iplayer/search?q=harvey+and+me</p> <p>Watch the Documentary 'Harvey and Me' and answer the following questions.</p> <ol style="list-style-type: none">1. How old is Harvey?2. What important life event is happening in Harvey's Life?3. What is his favourite hobby?4. What upsets Harvey?5. What behaviour does he display when he becomes upset?6. What effective communication techniques does Katie (his Mum) use to calm him down when he becomes upset?

Introduction to: T-Level Education and Early Years (Level 3)

Choosing Education and Early Years as part of your study programme was a brilliant decision!

What is so great about doing Education and Early Years and where can it take you?

As an introduction to this course, we'd like to help you find out more about the subject and how studying it might open doors for you in the future.

Lesson	Topic/Content
<p>Introduction</p>	<p><i>This course is a triple award course equivalent to 3 A Levels.</i></p> <p><i>Over this 2-year course, you will spend 3 days a week in college learning the theoretical aspects which underpin childcare and 2 days a week in a work placement.</i></p> <p><i>Read more about the Level 3 T-Level Education and Early Years Course at:</i> https://www.franklin.ac.uk/course/health-social-childcare/t-level-l3-education-child-care-triple-option/EY2TL3T/1173</p> <p><i>Read about possible careers in Education and Early Years at:</i> http://www.open.ac.uk/courses/careers/working-with-children</p>
<p>Feed your Curiosity</p>	<p><i>The following activities will give you an introduction into some of the topics you will be studying and what it is like working in childcare:</i></p> <p><u>Task 1: Working in Childcare</u></p> <p><i>Watch the following programme: Secret Life of 4-year olds</i></p> <p><i>You can access this from Channel 4's All4 subscribing service or YouTube.</i></p> <p><i>Consider...</i> <i>Is working with this age group something you would like?</i></p> <p><u>Task 2: Reflective Practice</u></p> <p><i>After watching secret life of 4-year olds, Answer the following questions:</i></p> <ol style="list-style-type: none"> <i>1. Why are you inspired to work with children?</i> <i>2. What skills and qualities are required to work with children?</i> <i>3. Give examples of activities are demonstrated in the nursery, and how do each of these help a child to learn?</i> <i>4. Explain how do the Early Years Educators keep the children safe?</i>

Task 3: Child Development

Read the following article:

Early Years Matters:

<https://www.earlyyearsmatters.co.uk/eyfs/a-unique-child/play-learning/>

This shows the stages and the milestones children should be reaching. After reading this, create a poster showing the different stages of child development.
