Welcome to A Level Film Studies

Choosing **Film Studies** as part of your study programme was a brilliant decision!

What is so great about doing **Film Studies** and where can it take you?

As an introduction to this course, we'd like to help you find out more about the subject and how studying it might open doors for you in the future.

Lesson	Topic/Content
Introduction	<i>A Level Film Studies explores a wide range of different elements of film from early silent movies, to mainstream contemporary Hollywood, British film, documentary, short films and World cinema. You will learn how to deconstruct narrative, visual and audio elements of film, explore political, social, cultural and historical contexts, interpret how audiences react to films in different ways, debate the role and impact of a director and apply all these elements to create your own short film or screenplay.</i>
