

Welcome to your

# PERSONAL & PROFESSIONAL DEVELOPMENT EVENING

# WELCOME TO YOUR FUTURE AT FRANKLIN!

Introducing you to our **Personal and Professional Development (PPD)** Programme.

At school, you'll have taken part in enrichment. This is so much more!

PPD is **ANYTHING** outside of the classroom.

Supporting you to develop your aspirations, experience and skills as you work towards your career goals and enjoy your time at Franklin.

# TONIGHT IS ABOUT YOU!

Hear from our teams and get a taste of the exciting opportunities on offer to you at Franklin.

Pick from our **Professional and Personal Development Programmes** to support your next steps.

Tonight, will show you a sample of what's on offer and give you the opportunity to talk to staff and students about our extensive range of PPD.

See this evening as a chance to familiarise yourself with Franklin, relax, ask questions and enjoy!

# WHAT IS PPD?

The **Personal Development** element of PPD looks at the hobbies and interests of our students along with trips and visits.

We have over 50 Personal Development clubs, programmes and societies on offer, which are key to developing important skills, such as:

- Communication
- Respect
- Resilience and confidence
- Determination....the list is endless.

We offer everything from regional sports teams, Esports, character design club, crochet, singing, Harry Styles and Taylor Swift society to Dungeons and Dragons and so much more.

Our **Professional Development** element of PPD prepares our students for their next step after Franklin.

We offer an incredible range of programmes, designed for our students and their future aims and ambitions.

"Have you got any experience?" Is no longer a killer blow in an interview.

# WHY IS PPD IMPORTANT?

Your studies are central to getting you started on your future career path, and we know achieving your qualifications is vital to your progression. However, we offer more than a classroom through our exciting Personal and Professional Development programmes (PPD).

**Our PPD offer has been designed to help you fulfil your future aspirations and interests.**

We work with universities, higher apprenticeship providers and employers to provide you with PPD that will bridge the gap in terms of being more desirable for university, more work-ready and more equipped for the 'real world'.
